

THE WORLD'S LEADING MANUFACTURER OF PREMIUM FOOD GRADE LUBRICANTS

## HAYNES SILICONE SPRAY

Sanitary Spray Lubricant

Packaged in 11oz Spray Cans. Haynes Silicone Oil is packaged in 1 gallon pour containers and drums (15 and 55 gallon).

**NSF Rated H-1, 3H**

**Haynes Silicone Spray** is a sanitary spray lubricant for a variety of machine parts. This lubricant is authorized by NSF (rated H1) for use in food processing plants for incidental food contact. All ingredients are FDA approved.

**Haynes Silicone Spray** minimizes cleanup time and sticking problems on food packaging and processing equipment. This lubricant can be used as a release agent on plastic/rubber mold equipment. This versatile lubricant can be used as an anti-rust film on equipment. Haynes Silicone Spray has one of the highest percentage of Silicone, to achieve the optimal effect on the food processing/packaging equipment.
